The exercises will be under the direction of a special committee for each day. On Wednesday night, at half past 7 o'clock, the association will unite with the united prayer meeting in the Methodist Protestant Church, a special prayer for God's blessing upon the international work of the association. To-morrow, exercises to young men will be held in St. Paul's Church, at 7 o'clock, in the First Church at night, in the M. E. Church, in the morning, and in the other churches sermons may be expected, to which the young men of our city are most cordially invited and urged to attend. BISHOP MEADE'S REMAINS.—The remains of Dr. Rev. Wm. Meade, Protestant Episcopal Bishop of Virginia, arrived here from Richmond last night, by Adams' Express. Bishop Meade died in Richmond on March 16, 1862, and was buried in Hollywood Cemetery, where a handsome monument was erected over his grave. After the death of Bishop Johns, when the new cemetery was established near the Theological Seminary, a desire was expressed by the authorities of the Seminary that the remains of Bishop Meade should be placed there alongside those of Bishops Johns and Payne, provided the consent of the deceased Bishop's family, and of those who had placed the monument in Hollywood, could be obtained. That consent having been given, the remains were exhumed, and re-interred in the new cemetery near the Theological Seminary, at eleven o'clock this morning, by Mr. H. Whistley, undertaker, of this city.

UNTRUE.—A libel was made in the Gazette, a few days since, to the effect that he had taken a small box case, taken from the subscriber Benjamin Gartside, to the hospital in Washington, and also to the comments of the Washington Chronicle, on the alleged refusal by the Mayor to allow the man to be buried here. Mayor Johnson states that he did not refuse to allow the burial, but told the captain of the Guards that he had no small box hospital here, and that if the man was buried, he (the captain) would have to pay all expenses. This captain positively refused to do, saying that the Government paid all charges and he would carry the man to Washington, which he accordingly did. As the vessel sailed at a District port it would seem only just that the District should take charge of the man.

COMPLIMENT FROM THE SUPERINTENDENT OF PUBLIC INSTRUCTION.—Henceforth the State banks for teachers' reports, &c., have been used here; but in July last the Superintendent of Public Instruction notified all City Superintendents that he would furnish them with no more blanks, and that each must provide for himself such a set as he might desire. Accordingly, Superintendent Carne prepared and had printed blank forms of reports, receipts, permits, masters, &c., of which Superintendent Arthur says, in the last number of the Educator Journal:

"Alexandria School Forms.—A full set has been sent to this office, and they seem to be excellently well adapted to their purpose."

RADICAL INTOLERANCE.—John F. Parker, the colored principal of Showden school, in this city, was assaulted on Tuesday evening, by four negro roughs, for having, as they alleged, voted the democratic ticket. He defended himself, however, and had his assailants arrested and carried before Justice Whitesides, who fined them. Parker is one of the most respectable and respected colored men in the city, and has risen from a totally uneducated boy to the position he now occupies, by his own exertions. It is a very quiet and offensive man and gave no provocation whatever for the assault.

PROTRACTED MEETING.—A series of meetings to be held in the Methodist Protestant Church will begin with the services of to-morrow. Rev. W. J. Floyd, from the East Washington Church, is expected to preach on Monday and Tuesday nights, and Rev. Jesse Greene, of the North Carolina Avenue Mission, Washington city, is expected to preach on Thursday and Friday nights of next week. The union prayer meeting will be held in said church on Thursday night.

CIRCUIT COURT FOR THE CITY.—Judge James Keith, Presiding—CONTINUATION OF YESTERDAY PROCEEDINGS.—Horace S. John, vs. Thomas Gately and James Gately; attachment, jury and verdict for defendants and judgment accordingly.

Court adjourned till Court in course.

## Local Brevities.

In the Court of Appeals, at Richmond, yesterday, Miner, &c., vs. Anderson, &c.; appeal refused to a decree of the Corporation Court of Alexandria. The Court also entered an order dismissing the case of Eppler vs. Homiller et al., from the Circuit Court of Fairfax Co.

Letters addressed to Christy, Shepherd & Garrett, New York; George Bowdoin, Baltimore, Md.; John R. Jackson, Frost Royal, Va., and Right Rev. F. M. Whittle, D. D., Richmond, Va., are detained in the postoffice here for want of postage.

The Washington Republican says: "The Rev. Alonzo Mills, of Alexandria, Va., is a candidate for Chaplain of the House in the Forty-fifth Congress.

Justice J. W. Nall has removed his office to the north side of King street, one door from Columbus, where he dispenses justice as of yore.

Attention of tax payers is called to the notices of City Treasurer Harlow. Only about three weeks now remain before distraint will be made.

A marriage license has been granted in Washington to Robert H. Shaw and Charlotte Cox, both of Fairfax county, Va.

One of the easiest things to catch, and at the same time one of the most difficult to get rid of, is a Cough or Cold. Dr. Bull's Cough Syrup, however, always proves equal to the emergency.

If you want chemicals, paints, oils, Wells, Eureka, English or American articles of any kind, give W. F. Creighton, druggist, a call.

SCRIPTURAL.—"Simmons' Liver Regulator is certainly a specific for that class of complaints which it claims to cure. Of its beneficial effects we do know something; and, from personal experiments, it is our opinion that its virtues have not been exaggerated by the many flattering notices of the press. If any of our following are suffering from hepatic disorders, and have doubts in relation to the efficacy of this popular preparation, we can only offer them the simple and candid argument of Philip Morris, the young man of our city who most cordially invited and urged us to attend. All the church members are therefore invited to co-operate with the association in this work of love for Christ's kingdom—not only in our land, but in all the world. Jail and other house services as usual.
